

Does Your Playground Need a Makeover?

Trade It In Today!

Has your playground seen better days? Bring your playground and your community back to life by trading in your old Miracle playground for a brand new one that will make the kids come running!

At Miracle, we are dedicated to continuous product innovation and are constantly striving to make better and longer lasting products. After 86 years in the business, this also means that we must discontinue some of our product lines to ensure what we are providing is the best for our customers and adheres to the latest safety regulations.

As of December 1, 2013, Miracle will discontinue sales of replacement parts for the Lokville Playground System, a product line that was discontinued more than 15 years ago. Upgrade today and take advantage of 40% OFF a new Miracle playground.

**To qualify for discount, current Lokville system must be removed.*

Hurry! Offer ends soon! Call 1-888-458-2752 or visit www.miracle-recreation.com to find your local rep.
