

# Interactive Play Panels

2018 PRODUCT SHEET

## Interactive Play Panels

From world-warping effects to games that make you think, these activity panels promote interactive, sensory and inclusive play for kids of all abilities on our Kids' Choice®, Tots' Choice® and Tots' Choice Expansion structures. Just choose your activity panel frame colors and pick an activity panel insert (colors as shown).\*

Ages 2-12

### Slide & Solve Insert\*

714-715-207

Compatibility: **KC / TC / TCX**

Shift a series of tiles vertically and horizontally to solve the puzzle.

### Funhouse Insert

714-715-202

Compatibility: **KC / TC / TCX**

Turn the indented funhouse mirror to warp your reflection and the world around you.

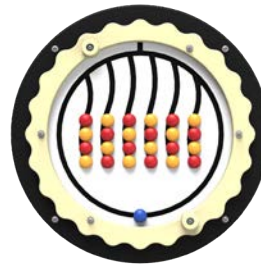

### Four-the-Win Insert

714-715-205

Compatibility: **KC / TC / TCX**

Try to match four caps in a row for the win.

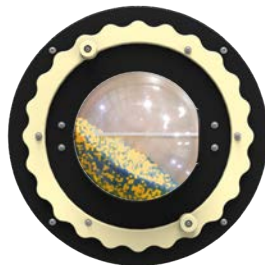

### Very Buried Insert

714-715-203

Compatibility: **KC / TC / TCX**

Rotate the sphere to reveal objects buried beneath a layer of pebbles.

### Magical Music Insert

714-715-206

Compatibility: **KC / TC / TCX**

Create your own music in mode setting or listen to preselected songs, all with the push of a button

### A-maze-ing Insert

714-715-204

Compatibility: **KC / TC / TCX**

Rotate the outer ring to send the metal ball to the center and back.

### Hypnotize Insert

714-715-201

Compatibility: **KC / TC / TCX**

Experience a dizzying optical illusion when you spin the outer ring.

\*Posts and panel frame sold separately. 715-20 above deck, 715-20B below deck
