

Introducing Your Local Representative

Founded in 1983, Boland Recreation, Inc., provides schools, parks, child care centers, landscape architects, and property management companies throughout Iowa and Wisconsin with the Miracle playground equipment, products and services that serve them best. Mark Boland and his sales team listen carefully to our customer's needs, then design a play experience that reflects their wishes and desires. We offer a full range of products that you would expect to see in a park or school playground including safety surfaces, basketball equipment, shade structures and other site amenities. We also offer various options such as full-service installation and can provide an installation supervisor to work with our customer's volunteers at no additional cost.
