Dear Mark,

On behalf of the Royall School District, we wanted to express our gratitude for the playground equipment and installation you have recently finished for our school grounds. We are extremely pleased with the workmanship and professionalism your business and staff portrayed while working at the school. We also appreciate you bumping us up into the month of June!

Thank you for a job well done and it has been a pleasure to do business with Boland Construction.

Sincerely,

Mark Gruen, District Administrator

Tim Marshall, Buildings and Ground Director
